Verify that the submission meets the entry qualifications:

- In a compliance-prompting format
- Has at least one compliance/patient adherence feature
- Has been commercially available during 2011 (not required for Innovative Design entry)
- Does not require drug products to be repackaged

Submission Requirements:

- Please include twelve sample packages as well as a digital photograph with your submission. *These sample packages must be packed with placebos or contain no live drug product as they will be shipped to different judging destinations and/or exhibitions.* Additional information, such as development history, press releases or background information may be included but will not be provided to the judges. The package must stand on its own merit during the judging process.
- Identify one person to act as liaison for this submission to the HCPC staff and provide full contact information. This may be the same person as outlined above. Should your package win or place in the competition, this person will:
 1. Be responsible for designating a recipient to accept the Award at **RxAdherence 2012, Strategies to Improve Patient Outcomes**, on March 27, 2012 at the Hamilton Hotel & Conference Center, Florham Park, New Jersey.
 2. Identify a school of packaging as the recipient of the scholarship funds associated with the award.
